## Self evaluation.

<b>Strengths of my Quiz</b>	<b>Areas for development (weaknesses)</b>
<b>Colours – I really like the colour scheme of my quiz, I think it suits the target audience. I also like how I have stuck to the same colours all the way through.</b>	<b>Layout – I think I should make my quiz more centered on the page. This will make it look more professional and attractive.</b>
<b>Layout – I think the layout of my quiz is very good because it is easy to read and it is quite effective.</b>	
<b>Questions – I think I have used a good variety of questions which get the results which are needed.</b>	

## Test buddy evaluation

<b>Strengths of my Quiz</b>	<b>Areas for development (weaknesses)</b>
<b>Colours – The colours are good and she has used the same colours as her logo.</b>	<b>Colours – The colours could be a bit more girlish because the girls will think it is for boys only.</b>
<b>Layout – The layout is practically perfect.</b>	
<b>Questions – Jess has a wide variety of questions and they are suited for both boys and girls which is good.</b>
